INTRODUCCIÓN

La Coordinación de Sistemas Escolares pone a disposición de las áreas Académicas y Administrativas la nueva presentación del **Reporte de Alumnos Evaluados, No Acreditados y Tasa de no Acreditación**, la que responde al proceso de mejora continua que implementa la Coordinación.

Esta publicación trimestral contiene información resumida sobre la Tasa de No Acreditación por Unidad de Enseñanza Aprendizaje de cada licenciatura.

Para la obtención del dato de Tasa de No Acreditación de cada UEA se resta al número de alumnos no acreditados en la Evaluación Global aquellos que acreditan en la Evaluación de Recuperación en el mismo trimestre.

Con la finalidad de continuar aportando elementos que contribuyan a la realización de evaluaciones y en la toma de decisiones que guíen el trabajo universitario, esperamos las observaciones que se sirvan señalar al presente trabajo.
